Description

S&S DURA-LINE TRAILERS

COMFORTABLE & EFFICIENT HAULING EXPERIENCE

S&S Dura-Line Trailers feature all steel construction and pressure-treated 2x8 pine planking. The combination of robust materials ensures that your trailer can withstand the toughest hauling tasks without compromising on strength or reliability.

Enjoy a superior pulling experience. With an optimum axle-to-tongue-weight ratio, our trailers provide a smooth ride and excellent handling. Our proprietary designs virtually eliminate sway and reduce drag, resulting in improved fuel efficiency and tire economy. We offer performance without the common issues associated with aluminum. They won't crack from wear and tear, ensuring long-lasting durability and reliability.
